Dynamic Builders Celebrates 50 Years of Service

Los Angeles, CA - - June 11, 2014 - - [Dynamic Builders](#) is thrilled to be celebrating over 50 years of providing building excellence and outstanding service to its community and customers. Since 1964, the company has been devoted to providing Los Angeles and the Southern California community with [“build-to-suit” properties](#) that please both Dynamic Builders’ customers and their customers as well. Dynamic Builders has been one of the top industrial/commercial real estate developers in the Los Angeles area since its inception.

“We are dedicated to providing our customers with a unique, professional, and custom experience, focused on the development process from beginning to end, ensuring our clients get a property that serves *all* their needs and guarantees a level of satisfaction only we can provide,” said Blaise Bonin, president and CEO of Dynamic Builders.

In the past 50 years, Dynamic Builders has thrived, constructing over 700 facilities in a hands-on process for customers in every industry: food, retail, office administration, distribution, warehousing and more. Dynamic Builders has been able to remain a leader in their market by developing properties that address the individual business needs and specialties of every industry.

This custom process includes locating the premier build site, designing the building, and constructing it in such a way that the property suits whatever the needs of the customer may be. With Dynamic Builders' ongoing, open communications, each customer has the peace of mind that accompanies the knowledge that their new building will be built right, the very first time.
